President's Address

Interview with the President

JAC Dr Madigan, what do you consider to be the best aspects of Avondale?

Dr M Briefly: the people. I enjoy Avondale because of its dedicated staff, and the great enthusiasm of the young people who attend as students.

JAC What do you think has been the most rewarding aspect of your Avondale career so far?

Dr M It is seeing the students - who often arrive hesitant and uncertain of their abilities - develop their skills to the point where they leave us as competent professionals capable of making a significant difference in their churches and the wider community..

JAC What is your vision for the future of Avondale?

Dr M My vision is for Avondale to be an affordable first choice option for those who want to undertake their education in a Christian context. I see the College growing into a university that is thoroughly Christian and proudly Adventist.

JAC What does Jacaranda mean to you?

Dr M To me, Jacaranda is a snapshot of all aspects of Avondale, as seen by the students and staff who make up our community. Jacaranda has the opportunity to capture the atmosphere and the significance of each year. I look forward with interest to discovering how the Jacaranda team has viewed Avondale in 2001.

JAC What would you like to say to the graduating class of 2001?

Dr M I would like to offer my congratulations to all of the graduates and encourage each one to use the skills and abilities that they have developed at Avondale to the glory of God and the greater good of the communities in which they work.

JAC Thank you Dr Madigan

AVONDALE COLLEGE LIBRARY

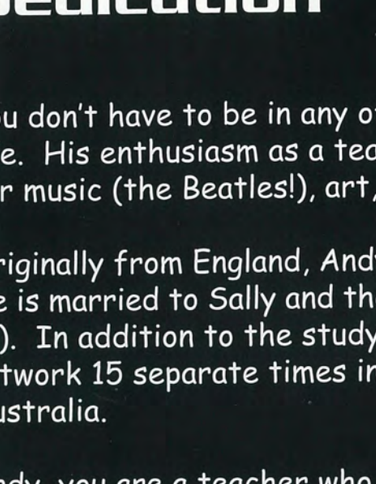
Dedication

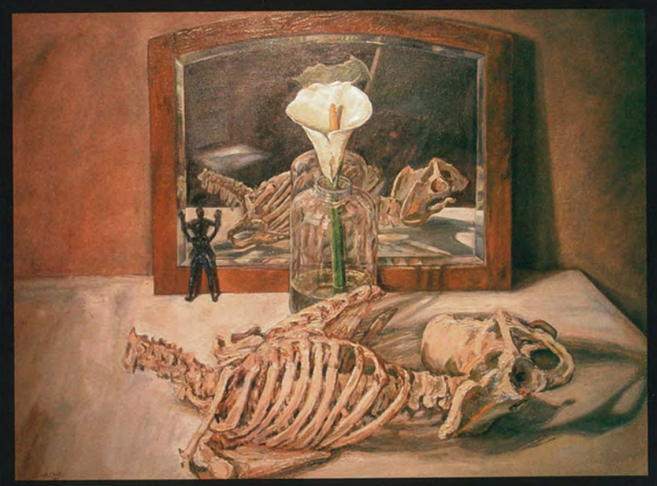
You don't have to be in any of Andy's classes to know he is passionate about life. His enthusiasm as a teacher is immediately obvious, along with his love for music (the Beatles!), art, and his family.

Originally from England, Andy joined the faculty of Avondale College in 1993. He is married to Sally and they have two children, Thomas (8) and Annie-Rose (5). In addition to the study he has completed, Andy has exhibited his own artwork 15 separate times in the UK, and is continuing to exhibit here in Australia.

Andy, you are a teacher who constantly goes far beyond the call of duty, but you are much more than that; you are a person who is filled with warmth, creativity, and caring.

We have great pleasure in dedicating Jacaranda 2001 to you!





Andy Collis

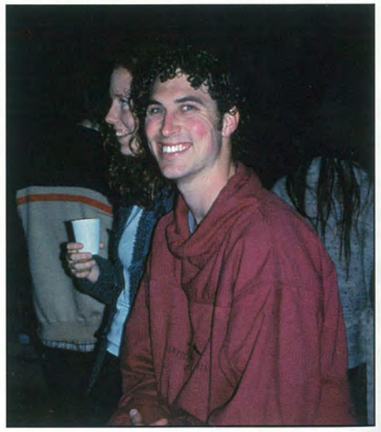
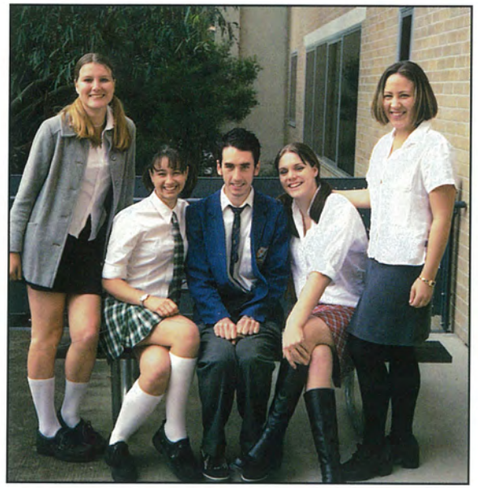
To put the world right in order, we must first put the nation in order; to put the nation in order, we must first put the family in order; to put the family in order, we must first cultivate our personal life; we must first set our hearts right. (Confucius)





The only thing that can remove poverty is sharing. Jesus came among the poorest, to teach people to love one another, which is to share - to use the gifts that God has given to people who have; so share with those who have not. (Mother Teresa)
