JACARANDA 2005

"It is not how much we have,
but how much we enjoy,
that makes happiness."

– Charles Spurgeon

# ...PRESIDENTS MESSAGE

Dear Student of 2005

I hope you've enjoyed this year, and that Avondale has enlarged your experience in most rewarding ways.

I hope you've found new friends, enjoyed great times, encountered new possibilties, opened your mind to fresh insights. This year many students have discovered a closer relationship with God. May that relationship, and Avondale's vision of service, continue to inspire all that you do.

I wish you all the very best and much of God's blessing as you explore the unimagined opportunities that are still before you.

Dr John Cox
President

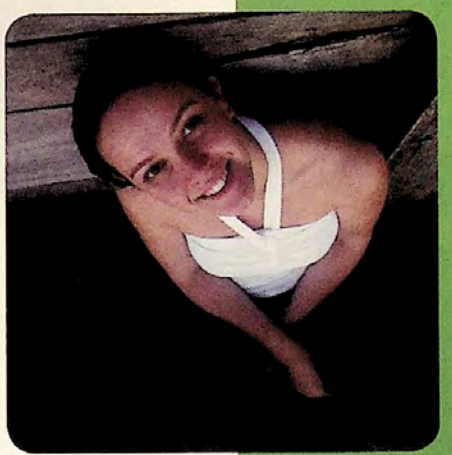

# ...EDITORIAL

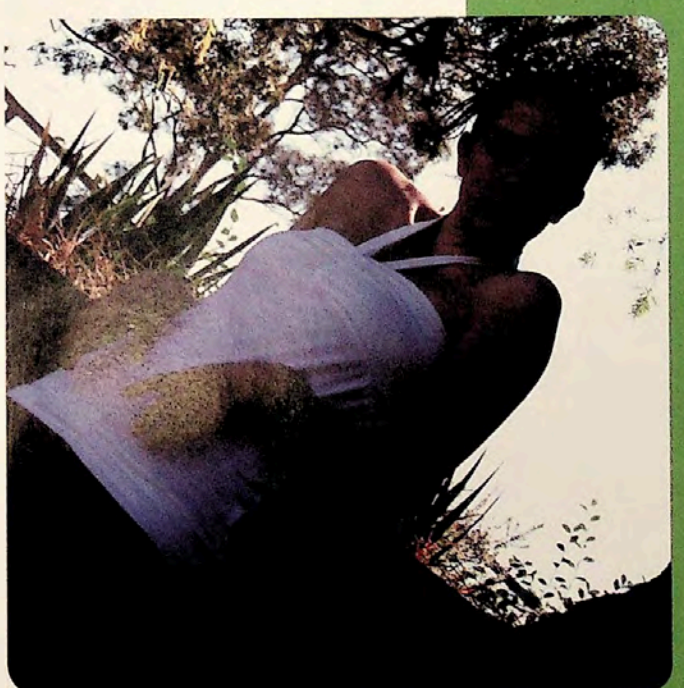

Each year brings with it trials, and (dare I say) tribulations - yet we have hopefully come out of it unscathed and with a bunch of fun times and tales to tell. As we all disappear to wherever it is we came from, may we look at this as a year well worth remembering.

This year has been an assortment of adventures, whether in classes, worshipping at church, frolicking on the beach, sweating it up on the court, or simply hanging out. Each moment is a gift, to treasure and learn from. Each person is also a blessing, all of us are beautiful in our own unique way. Within this book we hope to have captured a snapshot of the beauty and memories that make up what is most important about this year...you!

The more I go through life the more I have come to realize that it is the people around me who make everything worthwhile. They can be crazy and annoying (as can I), but as we go through this journey called life together it's these moments that make the world that much more exciting. It is for this reason that Jacaranda 2005 is stacked full of people and colour. It is vibrant and alive.

We hope as you turn these pages, random memories come flooding back and we hope there are giggles and laughs aplenty. We hope you have fun with it for years to come. Thank you for making this year amazing. God bless!

Tamara Miles
Editor

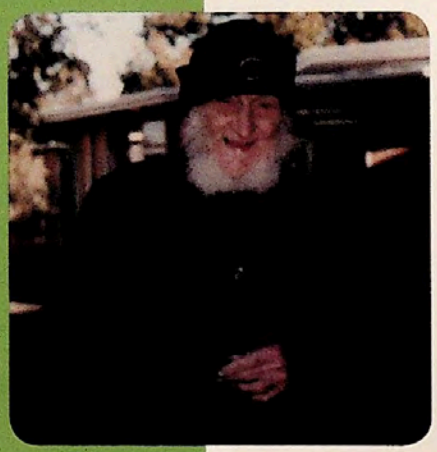

# ...DEDICATION

It is so easy to explain why Jacaranda 2005 has chosen to dedicate this book of memories to its oldest and kindest student.

Since enrolling in 1979, Mr Charles Pointon has become a large part of college life. He has become an icon within the Avondale community and abroad.

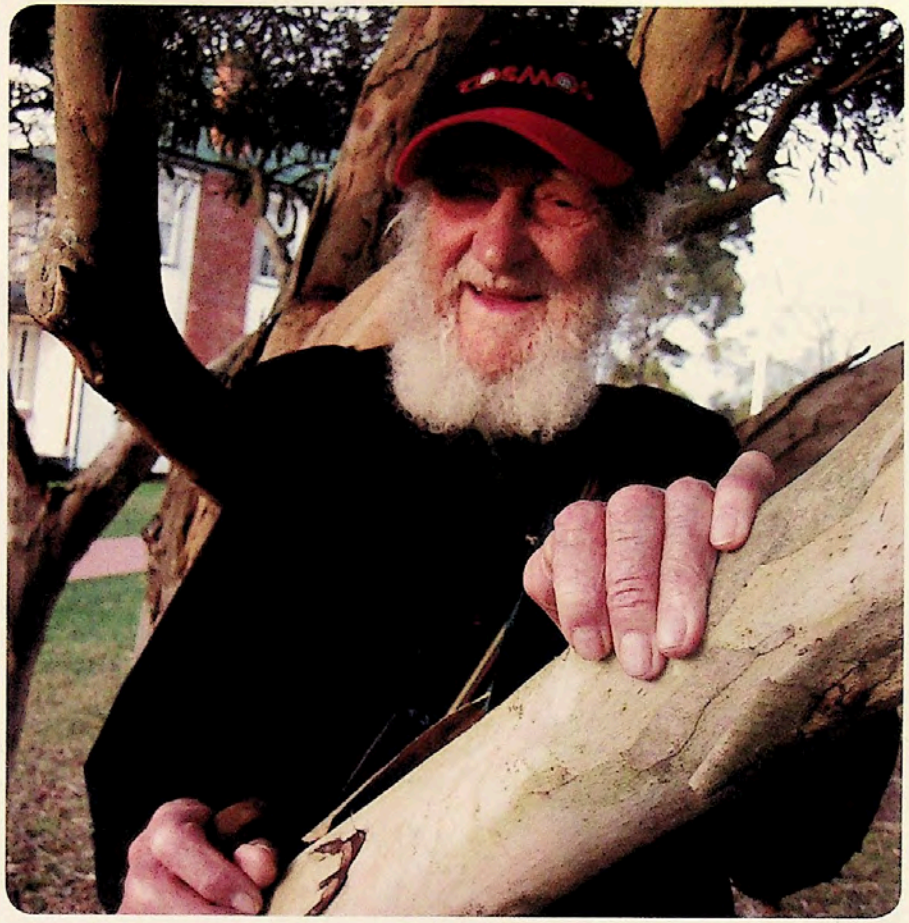

Whether on his walks, or more recently 'scoots', to classes, or fundraising for charity (primarily COSMOS), Charles always has a brilliant smile and a twinkle in his eye that says you are only as old as you feel. In his 95th year Charles' age serves to show that you are never too old to be an active, friendly and selfless person.

Charles is extremely knowledgeable and enjoys every opportunity to discuss his adventures with eager students. He conducts himself with a dignity and passion many of us can only hope to aspire to.

Charles is an inspiration to staff and students alike
– so giving, willing and motivated – qualities we all should strive towards.

Charles has a wicked sense of humour, and a deep sense of justice and compassion.

By example, he leads us to look within and find the best in each other – a trait long ago commanded to us by Christ.

It is with pleasure that we dedicate Jacaranda 2005 to our dear friend and long-term student Charles Pointon.

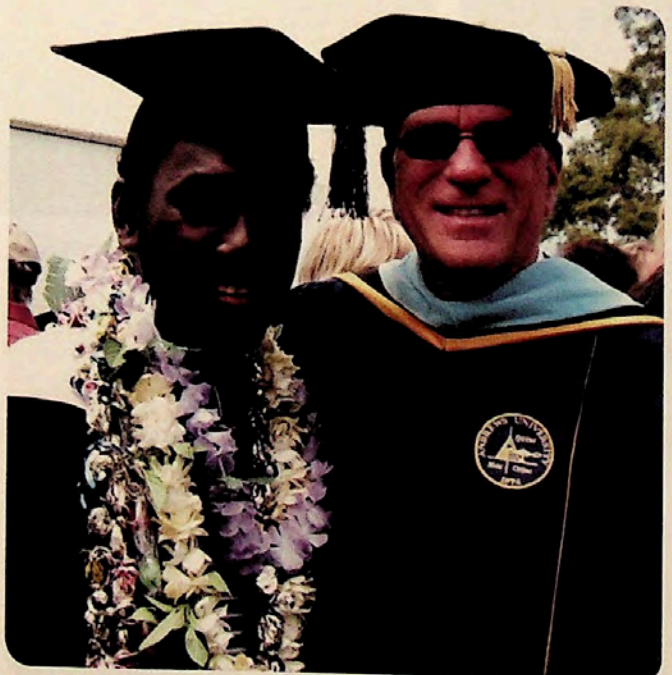

"Only a life lived for others is a life worthwhile."

– Albert Einstein

# ...A TRIBUTE

## DARIUS KUBEREK
## 1962-2005

It is with much sadness that we farewell a fellow student, Darius Kuberek, who was killed in a tragic accident on his way home from winter school.

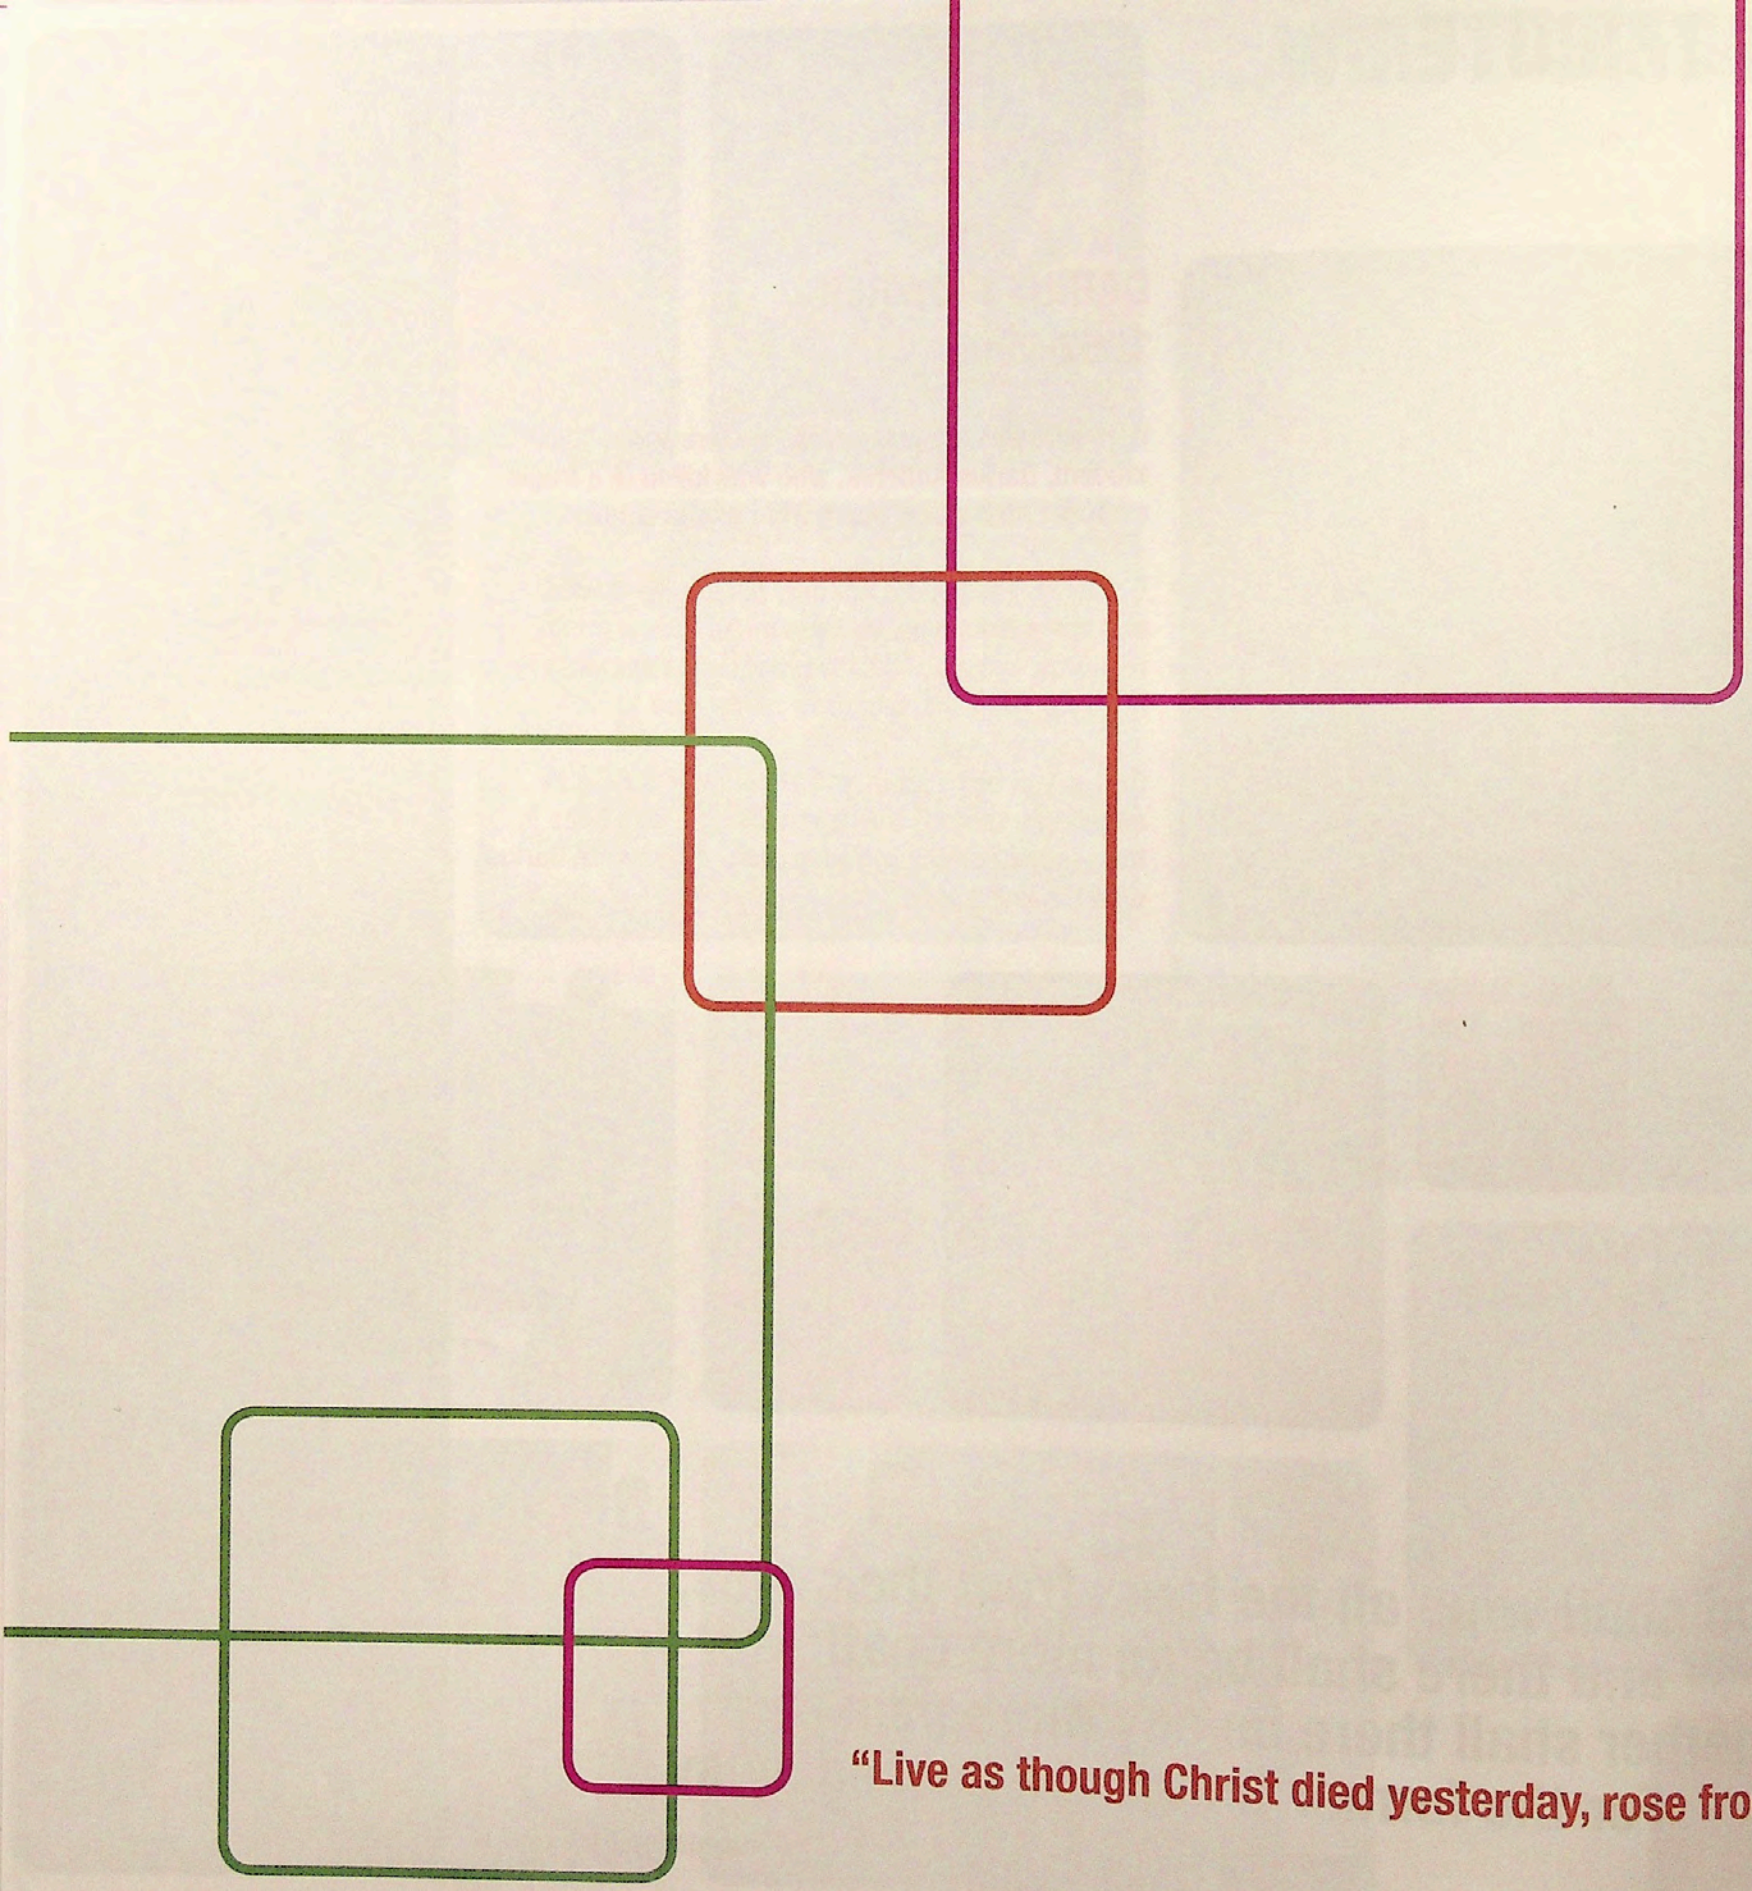

Darius leaves behind not only his family- a wife and three sons who we keep in our prayers and thoughts, but also the Adventist Polish community in South Australia, whom he ministered to.

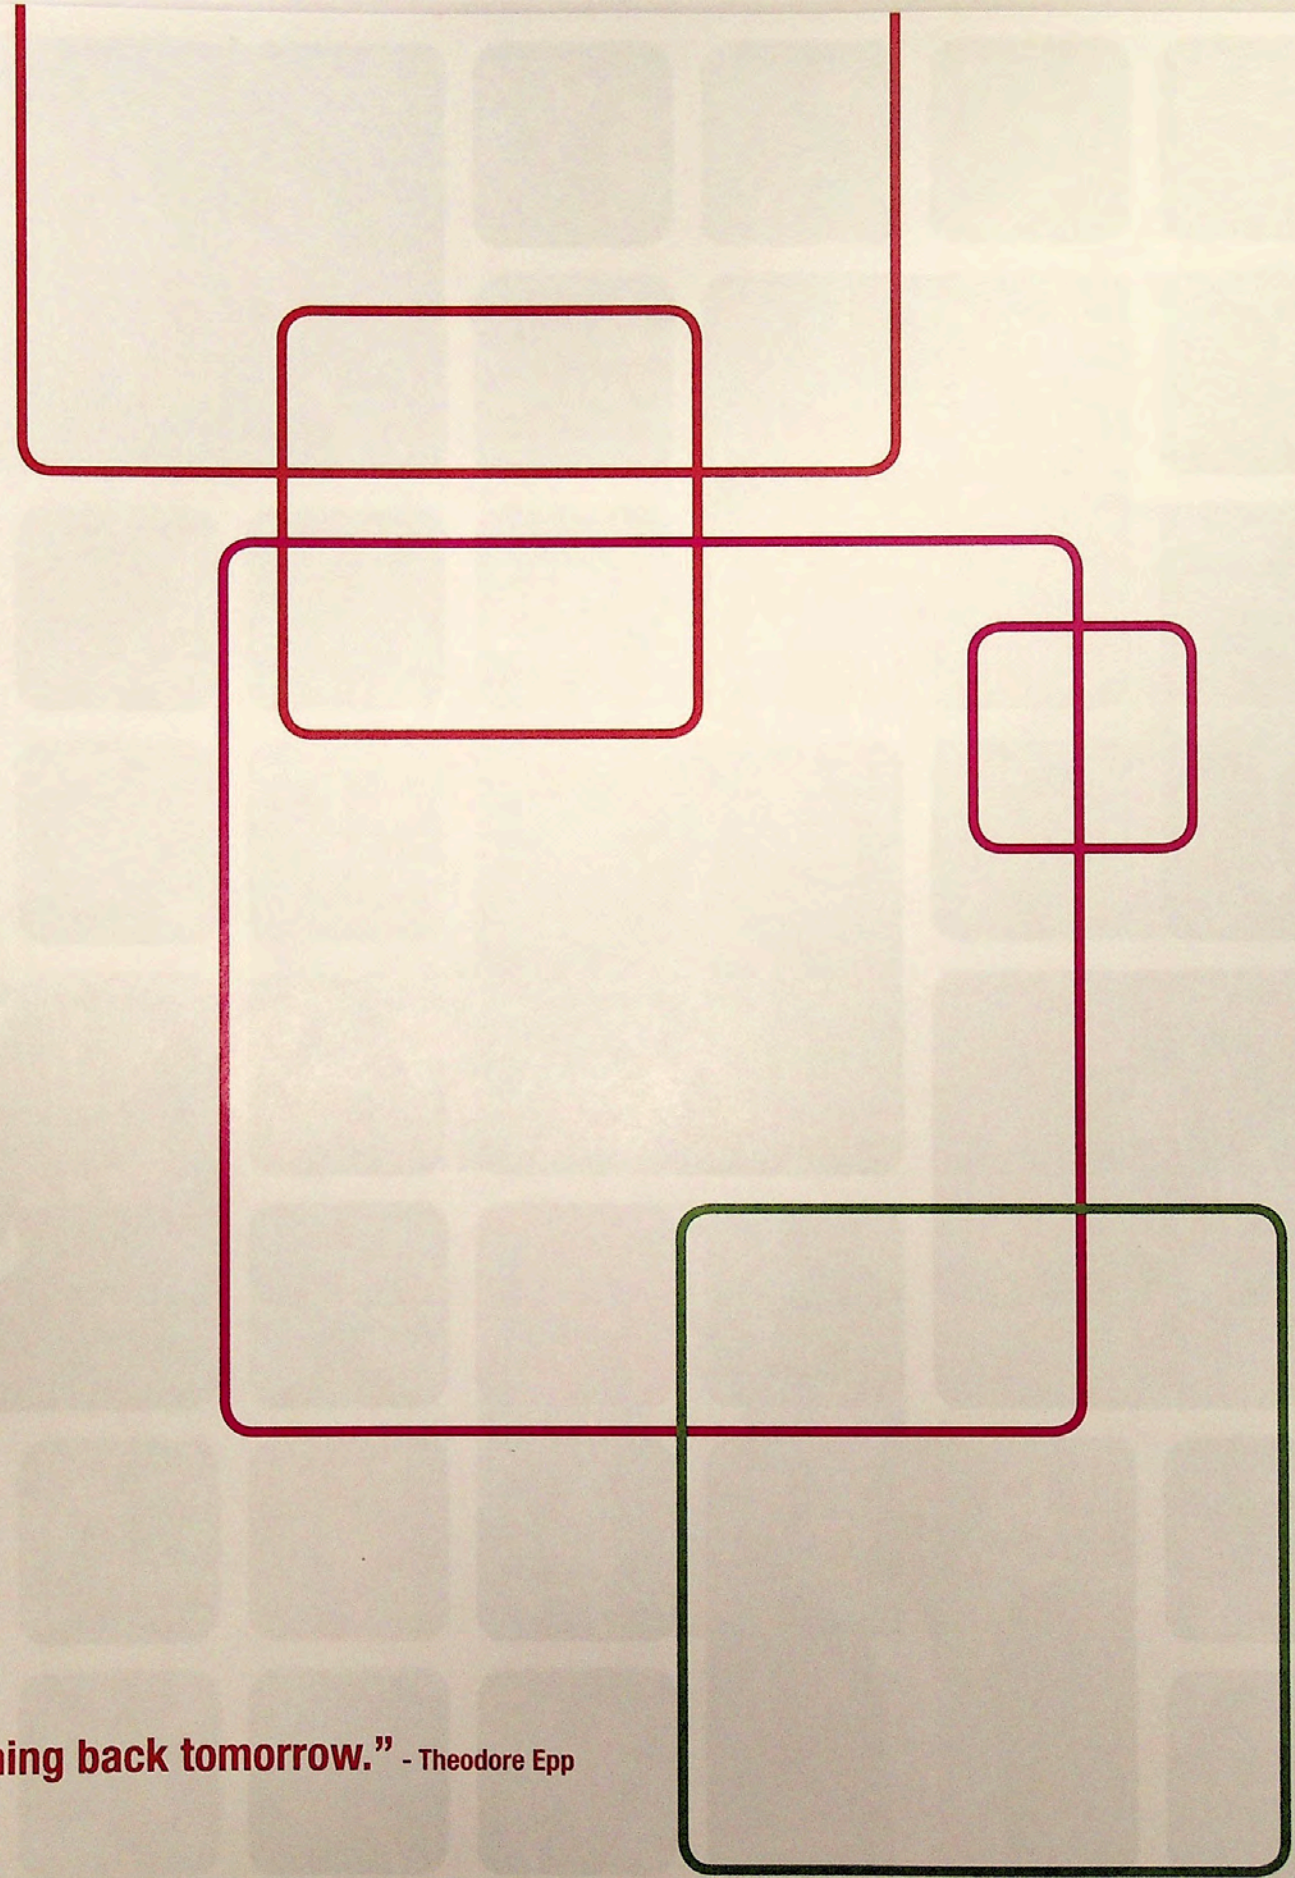

Darius will be missed, and although it is easy to question a tragedy like this, we must take hope in the second coming of Christ, who will reunite Darius with his loved ones.

"God shall wipe all the tears from their eyes;
and there shall be no more death, nor crying,
nether shall there be any more pain.
For the former things are passed away."

– Revelation 21:4

grave today, and is coming back tomorrow." - Theodore Epp

We would like to thank everybody that helped in various ways make this years Jacaranda possible. God has guided our thought process and calmed us in times of frustration, for this and so much more we thank Him. The art department for giving us access to their precious facilities. Tony Martin and Andy Collis (we know your a team member but you are too special not too mention) for reminding us not to take ourselves too seriously. The IT team especially Ben Reuter and Tim Tew for extra photographic and technical assistance. Linda Seng for manning the Photo Booth. Colin Chuang for taking the funky Jac team group photos. The contributing photographers for sharing their memories with us. Kathy Readford at Student Services. Student Publications Board - Craig Vogel, Brenton Stacey, Dr John Cox, Carolyn Rickett. Donna Pinter for her endless knowledge. Ray and Andrew from Signs Publishing for their patience and consideration. Our lecturers for believing that, "the Jac ate my assignment excuse" (sorry). Our longsuffering friends and family who may have forgotten what we look like but love us just the same.
